Caravan Group

About the group

Do you love getting out with your caravan to explore wide open spaces? Do you like the company of others who have a similar interest? Then why not join our Caravan group?

The Caravan group organises 8 rallies annually, each lasting approximately one week. While concentrating on different destinations across South Australia, with the occasional interstate destination, all Caravan group venues are dog-friendly parks.

We also organise activities such as group meals, visits to local attractions and sight-seeing outings. You can attend as many rallies as you wish, as both singles and couples are welcome.

If you don't have a caravan, camper trailer or other recreational vehicle, you are still welcome to join us and stay in a cabin.
